

1520L Black Barrel with screw lid RP1
205L Grey Barrel with screw lid PB2G

205L Barrel with slip-on lid PB1SL
Plastic Tap T2

Storage Tanks and Water Butts

Containers are supplied fitted with our T2 plastic taps, and have proved very popular for garden use. When a larger volume of water is required our RP1 storage tank with a capacity 340 gallons (1520 litres) is available - very suitable for nursery gardens or farm use.
