

Severn Garden Arch SEV

Avon Garden Arch AVO

Compost Bin

Severn Valley Range

A Traditional range of outdoor products for home or commercial use. All Items are constructed from environmentally sustainable softwoods. The timber is pressure impregnated to protect against rot and decay.

All fixings and nails are plated to prevent rust staining and to enhance longevity of the wood.

All these products are produced from pressure preservative treated machined kiln dried Softwood. Each comes complete with instructions, which makes assembly an easy task for the reasonably competent handyman.
