TREAT-RIGHT WARRANTY

A combination of using latest generation TANALITH wood preservative, careful pre-treatment timber preparations, the use of high quality pine timbers and approved treatment procedures allow us to offer a 15 year TREAT-RIGHT performance warranty. The TREAT-RIGHT warranty covers the failure of our Hutton garden and landscaping products from wood decay and insect attack giving you total confidence in their long term performance.

FSC® CERTIFIED

Hutton Garden and Landscaping Products can proudly confirm that our wood is 100% traceable, and we are FSC® Certified, which means that we confidently promote responsible forest management.

MADE IN BRITAIN

We combine the latest technology with traditional woodworking skills to create products that look good and can stand the test of time. Our products are designed and manufactured in our own UK factory and most Hutton timber products are pressure treated for a long and low maintenance service life.
