Hutton Garden Products

The Hutton Garden Products range comprises a wide choice of furniture as well as a diverse selection of garden structures, including planters, bird tables, and a robust range of fence and trellis panels.

Hutton Garden Products parent company Severn Valley Woodworks holds Chain of Custody for both FSC® and PEFC certification schemes. All Hutton Garden Products are produced from sustainably sourced timber, which means that they confidently promote responsible forest management.

Treated-Right Warranty

The majority of the Hutton Garden Product range are manufactured from Tanalith® E treated softwood. Tanalith® E pressure treatment offers long-lasting protection against wood decay and insect attack. This allows the manufacturers to confidently offer a 15 Year TREATED-RIGHT Performance Warranty on the full range of pressure treated Hutton Garden Products.

Terms and conditions apply, please contact your supplier for further information.

Every effort has been made to provide up to date factual information, but as our policy is one of continual improvement we reserve the right to modify or change specifications as necessary. No liability will be accepted for errors or omissions. Warranty is conditional, please contact us for the terms and conditions. All sizes are approximate. Products are measured to maximum exterior dimensions unless otherwise stated. Some specifications may vary due to availability and product improvements. We take great care in the photographic accuracy of products shown in our brochure, however due to variables in both photographic and printed processes and the natural characteristics of wood, colours may not exactly match the actual products.
