Hutton Garden Products

The Hutton Garden Products range comprises a wide choice of garden furniture, garden structures, planters, bird tables, fence panels, trellis panels, gates, sheds and garden storage.

Hutton Garden Products parent company Severn Valley Woodworks holds Chain of Custody for both FSC® and PEFC certification schemes. All Hutton Garden Products are produced from sustainably sourced timber, which means we confidently promote responsible forest management.

Treated-Right Warranty

The majority of our Hutton Garden Product range is manufactured from Tanalith® E treated softwood. Tanalith® E pressure treatment provides long-lasting protection against wood decay and insect attack. This allows us to confidently offer a 15 Year TREATED-RIGHT Performance Warranty on the full range of pressure treated Hutton Garden Products.

Terms and conditions apply, please contact your supplier for further information.
